		nours	o. SIX Hours		

Supervisor's Suggestions/Answers

Copy the Quizzer and Receipt on the reverse page and distribute to drivers, monitors and attendants along with the Laws and Regs booklet. The Quizzer is designed to test drivers', monitors' and attendants' understanding of laws and regs and to stimulate discussion in your operation. It can be used in many ways in your operation, including:

- Weekly questions. Use Quizzer questions one at a time (for instance, once a week) with your drivers and attendants post one question at a time on your bulletin board. Give a small or silly prize to the first driver to get all the answers right.
- Open book exercise. Utilize the Quizzer in a Safety meeting break drivers and attendants into pairs or small groups of 4-6 and have them complete the Quizzer as an "open book" exercise to find the answers. Let your staff have fun with this exercise. Award a small prize or certificate to the first group to get all the answers right.
- Individual challenge. Challenge drivers to find the answers on their own on a voluntary basis post the names of those who turn in 100% correct answers.
- Written test. Use the Quizzer as a written test after a refresher program. Make sure to go over the correct answers afterwards so no one leaves with a misconception about any question.
- Homework. Assign Quizzer as follow-up "homework" after distributing Laws and Regs.
