- 2 years' experience as an SBDI or equivalent
- 2 years' experience as 19A CE or equivalent
- School bus driver instructor certification from another state, will be accepted in the place of a NYSED SBDI Certification.

Who we are looking for:

We are looking for a qualified person that has been successful in creating and delivering training in school districts or passenger transportation companies. This position will become part of the headquarters team with an office in the East Syracuse location of PTSI, providing advice and perspectives of the school transportation industry to PTSI leadership and support staff.

Pupil Transportation Safety Institute

Moving School Transportation from Safe to Safer!

Position Summary:

This position designs, develops and writes PTSI's training products and materials within several programs, which includes mandated courses and refreshers in NYS and across the nation. This will include developing materials in PTSI's chosen online training software (Articulate). In addition, this position is assigned instructor roles as needed to fulfill PTSI and / or client needs and contract obligations.

Applying For The Position:

If interested in this position, please email:

1. Resume
